REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art teaches related pair relationship systems but fails to teach the combination including the limitation of:

(Claim 32) "...wherein said second controller and/or said third controller changes a pair status between said at least one first logical volume and said second logical volume based on said changed command";

(Claim 54) "...wherein said second controller receives said command including said second LUN from said virtualization device and replies said pair status to said virtualization device in response to said command including said second LUN";

(Claim 78) "...wherein said third controller receives said changed command from said first storage device and changes a pair status between said second logical volume and said third logical volume based on said changed command";

(Claim 79) "...wherein said third controller receives said command including said third LUN from said first storage device and replies said pair status to said first storage device in response to said command including said third LUN";

(Claim 80) "...wherein said second controller and/or said third controller changes a pair status between said at least one first logical volume and said second logical volume based on said command";

(Claim 88) "...wherein said first controller receives a command sent from said information processing device and relaying said command to said first storage device, said command is used to inquire a pair status between said at least one first logical

volume and said second logical volume, and wherein said second controller receives said command from said virtualization device and replies said pair status to said virtualization device in response to said command".

Claims 33, 34, 38-48, 50, 53, and 81-87 are allowed as being dependent upon, and thus incorporating therein, the allowable subject matter of the respective parent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
